"I think music in itself is  
healing.

It's an explosive expression  
of humanity.

It's something we are  
all touched by.

No matter what culture we're  
from, everyone  
loves music."

Billy Joel

# Bunny Facts

- Rabbits are very social creatures that live in groups. They live underground in tunnels they dig called warrens.
- A male rabbit is called a buck, a female rabbit is called a doe and a baby rabbit is called a kit.
- Rabbits perform an athletic leap, known as a 'binky', when they're happy – performing twists and kicks in mid-air!
- Rabbit's eyes are on the sides of their heads, so they can see almost all the way around themselves.
- Rabbits purr when they are happy.
- They can jump as high as three feet!

# Little Cabin in the Wood

Little cabin in the wood,  
little man by the window stood.

Saw a rabbit hopping by,  
knocking at the door.

“Help me, help me, help me!” he cried.

“That hunter makes me terrified!”

Come little rabbit, come inside.

Safely you may hide.

The background of the slide is a colorful illustration of a forest scene. On the left, there is a small yellow cabin with a red roof and a wooden door. A man with glasses and a blue shirt is looking out from a window. In the foreground, a white rabbit with long ears is standing on a dirt path, looking towards the cabin. The background is filled with green trees and foliage.
