seven Steps

Seven Steps

The musical score is written on three staves in G major (one sharp) and 4/4 time. The first staff contains the first line of the song, with lyrics 'Have you ev - er heard of the se - ven se - ven, Have you ev - er heard of the'. The second staff continues with 'se - ven steps? Watch the lea - der and you'll see What the next new step will be.' The third staff is divided into two parts: 'Solo' and 'Class'. The 'Solo' part has lyrics 'This is one. two. three. four. five. six. seven.' and the 'Class' part has lyrics 'This is one. two. three. four. five. six. seven.' and ends with 'Oh,'. Chords F and C7 are indicated above the notes. A repeat sign is at the end of the 'Class' part.

There's a Spider on the Floor by Bill Russell

The musical score is written on three staves in 4/4 time, featuring a key signature of one flat (Bb). The melody is composed of eighth and quarter notes, with some measures containing rests. Chord symbols (C7, F, Bb, C) are placed above the staff to indicate harmonic accompaniment. The lyrics are written below the staff, with some words in parentheses. The tempo is marked 'rall.' (rallentando) in the second and third staves.

There's a spi-der on the floor, on the floor. There's a spi-der on the floor on the

floor. There's a spi-der on the floor. He just walked right in the (door) There's a

spi - der on the floor, on the floor. Yes, floor rhymes with door.

The South American Goliath Birdeater Spider

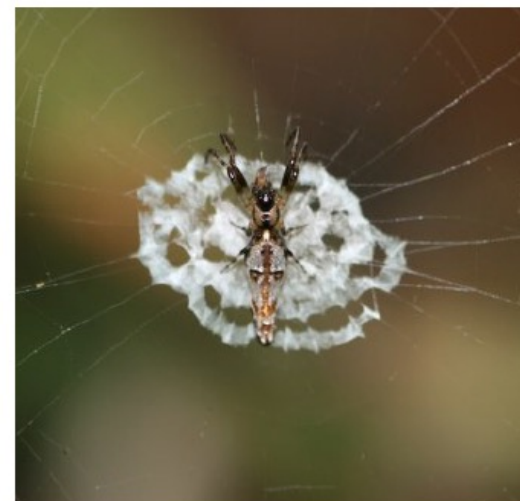

The Dracula Spider

The Sparklemuffin Spider

The Scuba Spider

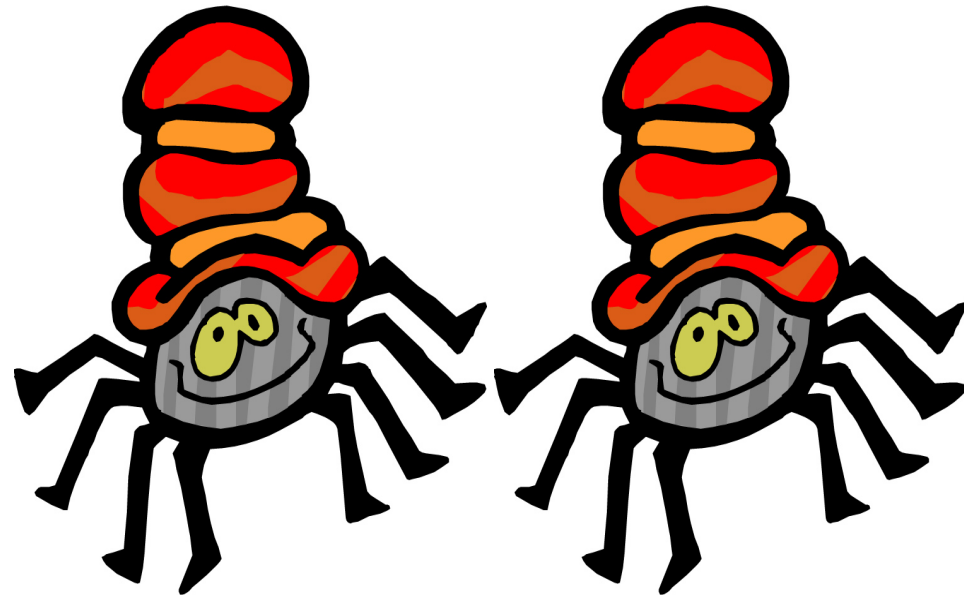

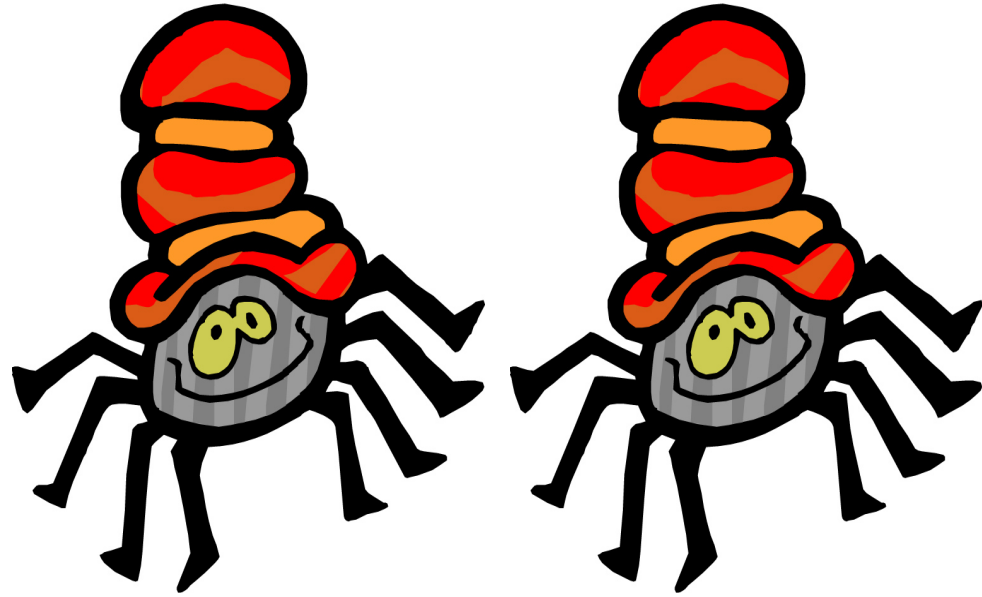

The Poopy Spider

Spider Facts

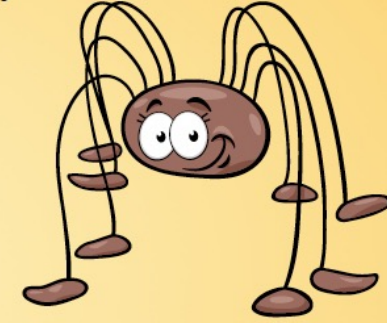

- **Spider Population:** An estimated 1 million spiders live in one acre of land. The number might be closer to 3 million in the tropics. It is estimated that a human is never more than 10 feet away from a spider—ever. 😬
- **Spider Diet:** Spiders eat more insects than birds and bats combined.
- **World's Biggest Spider!** The world's biggest spider is the goliath spider (*Theraphosa blondi*). It can grow up to 11 inches wide, and its fangs are up to one inch long. It hunts frogs, lizards, mice, and even small snakes and young birds.
- **Spider Dating:** Some male spiders give dead flies to the females as presents. 😬
- **Spider Medicine:** Hundreds of years ago, people put spider webs on their wounds because they believed it would help stop the bleeding. Scientists now know that the silk contains vitamin K, which helps reduce bleeding!
- **Amazing Spider Silk:** A strand of spider silk long enough to encircle Earth would weigh just over a pound!
- **Spider Venom:** The venom of the female black widow is 15 times more powerful than the poison of a rattlesnake! 😬

Where
there's
passion,
there's
retention.

There's a Spider on the Floor *by Bill Russell*

1. Floor – he just walked right in the door
2. Toes – and he's wiggling his nose
3. Knee – he used to live up in a tree
4. Thigh – and he's only got one eye!
5. Belly – eating peanut butter and jelly
6. Neck – he makes me feel like a wreck!
7. Ear – he's so big I can hardly hear.
8. Hair – I think he's dancing way up there.
9. Back – eating a little snack
10. Tush – if I roll over, he's gonna go smush!

Coda – Now there's a spider on the floor, on the floor.
(Repeat)

There's a spider on the floor ... 'cause we're not gonna
sing any more ... There's a spider on the floor, on the
floor. Yes, floor rhymes with door.

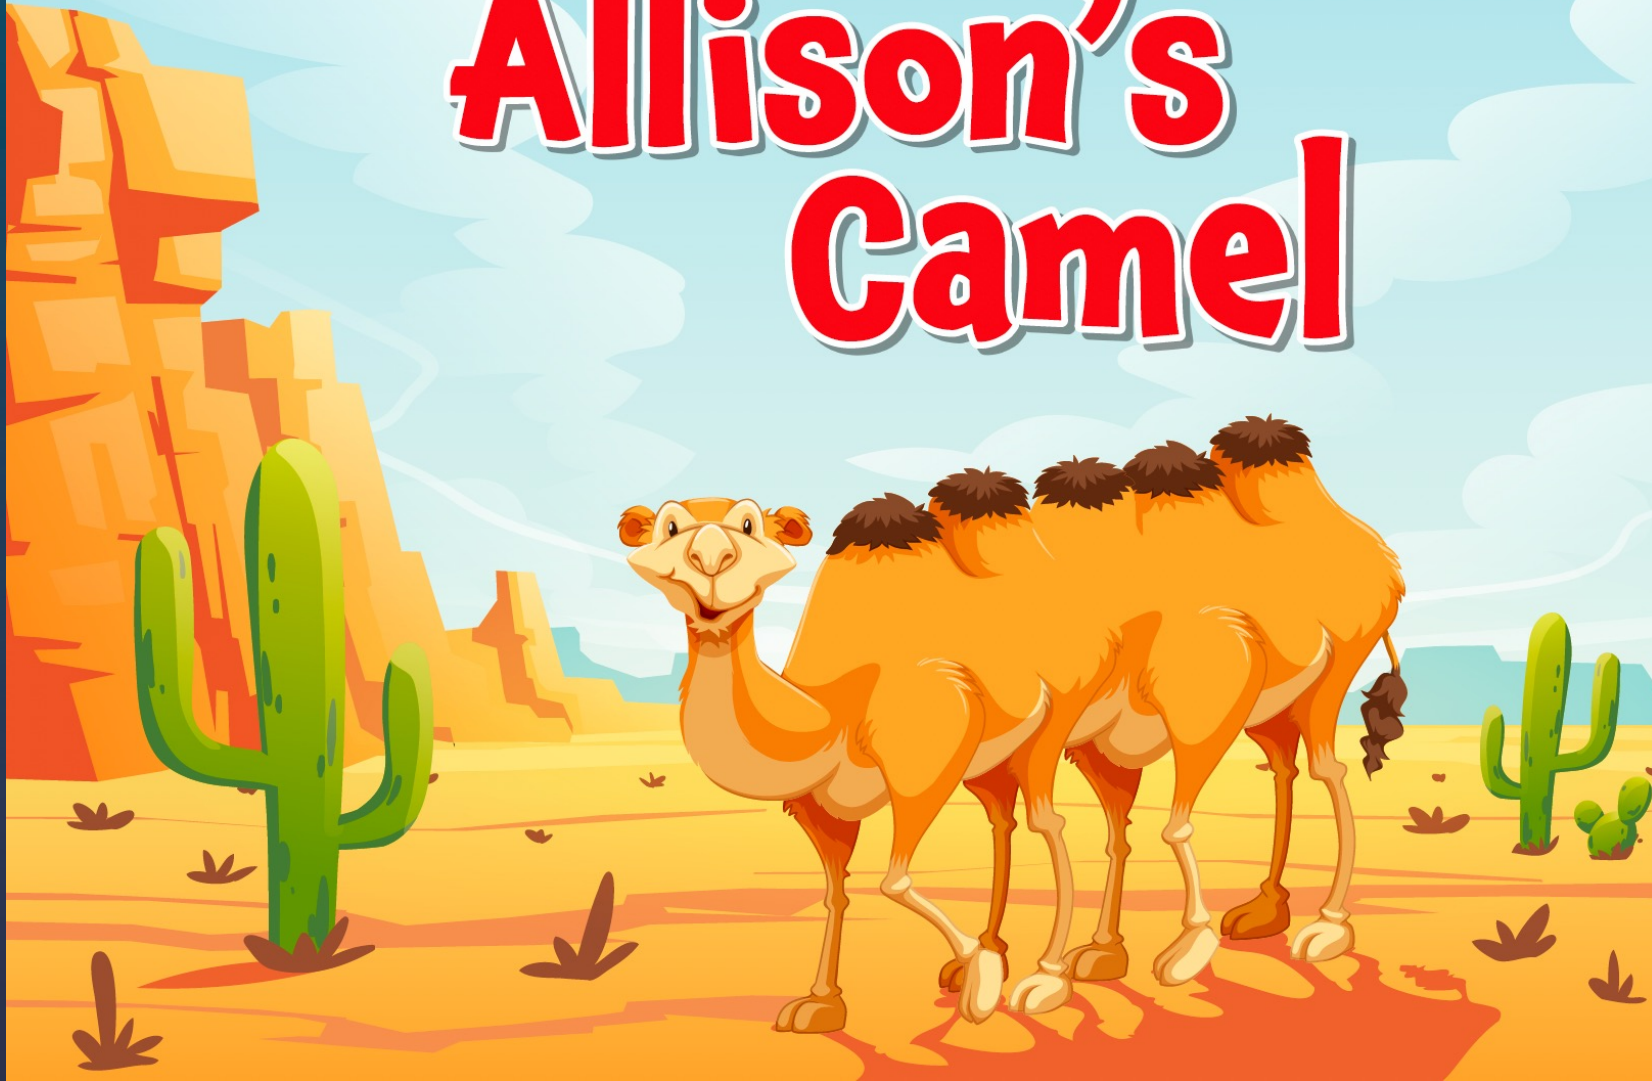

Allison's Camel

Fun Facts About Camels!

1. They can live for about 40 years.
2. Camel milk is among the healthiest milk in the world.
3. Camels have three sets of eyelids and two rows of eyelashes to keep sand out of their eyes.
4. How far can a camel spit? The longest recorded distance a camel has spat is a whopping 121 feet!
5. Camel's humps store up to 80 pounds of fat, which a camel can break down into water and energy when sustenance is not available. These humps give camels their legendary ability to travel up to 100 desert miles without water.

Allison's Camel

The musical score is written on four staves in G major (one sharp) and common time. The lyrics are: "Al - li-son's ca - mel has five humps. Al - li-son's ca - mel has five humps. Go, Al - li-son go! 1 2 3 4 5 6 7 8 Ahhhh!" The score includes various musical notations such as eighth notes, quarter notes, rests, and a descending scale for the "Ahhh!" part. Chord symbols G and D are placed above the first two staves.

Al - li-son's ca - mel has five humps. Al - li-son's ca - mel has five humps.

Go, Al - li-son go! 1 2 3 4 5 6 7 8 Ahhhh!
