

There's a Spider on the Floor – by Raffi

1. Floor – he just walked right in the door
2. Toes – and he's wiggling his nose
3. Knee – he used to live up in a tree
4. Thigh – and he's only got one eye!
5. Belly – eating peanut butter and jelly
6. Neck – he makes me feel like a wreck!
7. Hair – I think he's dancing way up there!
8. Ear – he's so big I can hardly hear
9. Back – eating a little snack
10. Tush – if I roll over, he's gonna go smush!
